

CARNIVAL ENTRIES

This season brings a new era in carnival entries & competition rulings for the Hunter Branch. A new system has been implemented to ensure those competing have entered the carnivals through the correct channels.

All local carnival entries are to be submitted via placing an entry in the carnival entry box in the club, sending a sms or email to Nicole Beavis, see below for details. All competitors will be entered via surfguard & will have their names marked off on the day & be given a stamp which enables you to compete. If you are on the line without a stamp you will be asked to remove yourself from the competition area.

The system will be introduced for the Catherine Hill Bay carnival, there will be some leniency on this day, and thereafter strict guidelines will be adhered to.

Those competitors who have not entered by the deadline will be required to do a late entry on the day of the carnival & will be responsible for the entry fee. You will no longer be able to have the club invoiced for late entries.

Closing dates for carnivals will be forwarded via email. If you are not receiving the emails please advise Nicole so that you can be added to the data base. Correct email addresses are imperative for carnival entries & club newsletter information. Information will also be posted on the club's website & updated regularly. www.swanseabelmontslsc.com

As you can appreciate, the club spends a fortune on entry fees. This year we have set targeted carnivals that the club will pay the entry fee. We will be monitoring non attendees, repeat offenders will be asked to pay for the entry fees for those carnivals that they entered & did not attend. Any carnival that you wish to attend that is not a targeted carnival, you will be responsible for the entry fee.

For carnivals that are not local, Hunter Branch requires you to have an out of area application form endorsed by Branch. Please see Nicole to have this arranged well in advance for the carnival you wish to attend.
